BUZZ: iW NEWS | First Independent Takes "Beautiful"

First Independent Pictures has announced the acquisition of selected US theatrical rights to **Darryl Roberts'** "**America the Beautiful.**" The film, which recently completed a run in Chicago, is a documentary that looks at America's unhealthy obsession with physical perfection. "Beautiful" made its debut in 2007 at the **AFI Dallas Film Festival** before going on the win Best Documentary at the **Chicago International Film Festival**. The film will open in New York on August 6th and expand throughout the month. [Peter Knegt]
